EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Ashkan Najafi on September 13, 2005.

3. The application has been amended as follows:

Please cancel claims 1-7.

Claim 8, last line 23, after the wire, replace the "." with - -; - -. And add the following: - - wherein said at least one male and female plugs are formed from non-conductive material respectively --.

Cancel claim 13.

4. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest the claim as a whole including the limitation of the male plug having a cylindrical body, and front and rear end portions, said body including

a prong section which is formed from a resilient material for being adapted into a plurality of shapes as desired by a user, said rear end portion having indicia thereon unique to a select input jack, the male plug being spaced from the wire and prohibiting the wire from being inserted into the input jack when the male plug is positioned into the input jack; and the female plug having a cylindrical body; said the body having a groove for receiving a male portion a wire when the wire is removed from an input jack, and further having a visible front end portion having indicia thereon, said front end portion indicia corresponding to the rear end portion indicia so that a user can identify a selected input jack for receiving a corresponding wire; wherein the male and female plugs are formed from non-conductive material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Xuong M. Chung-Trans whose telephone number is (571) 272-2002. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paula Bradley can be reached on (571) 272-2800 extension 33.. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
